SERGEI RAKHMANOV

akulutka@hotmail.com

EDUCATION

Higher School of Economics 2019 - 2023
Bachelor of Applied Mathematics and Computer Science (with merit)

WORK

Yandex 2022 - Today
Market Elasticity and Marginality Estimation Team at Ads Quality Department

Team Lead 2026 - Today
Senior ML Engineer 2025 - 2026
ML Engineer 2023 - 2025
MLOps Intern 2022 - 2023

Artificial Intelligence Research Institute 2022 - 2023
Research Intern

I was researching and developing methods of efficient and high-quality real photographs projection into StyleGAN2 latent space for semantic editing.

Higher School of Economics, Centre of Deep Learning and Bayesian Methods 2022
Research Intern

Artificial Intelligence Research Institute 2022
Trainee

PROJECTS

Bachelor Thesis 2022 - 2023
Developing Efficient Encoders for StyleGAN Model

Coursework 2021 - 2022
Analysis and Development of Image Semantic Editing Methods by Generative Models

I was researching image editing methods using unsupervised neural network learning and GANs.

TECHNICAL STRENGTHS

Machine Learning	PyTorch, sklearn, CatBoost
Data Analysis	Pandas, JupyterLab, NumPy, SciPy, statsmodels
Languages	Python, C, Java, SQL
CI/CD	Gitlab CI, KubeFlow, MLFlow, Slurm, Wandb

LANGUAGES

Russian	Native
English	Professional (C1)
